

Resolution to Thank Peter Davoren and Turner Construction Company

BE IT RESOLVED that the Board of Education of the Garrison Union Free School District expresses its appreciation to Peter Davoren and the Turner Construction Company for developing an affordable plan to heat our building with the potential to not rely on fossil fuels. We deeply appreciate the generosity, insight, and time offered to our District. Turner's visionary plan will be a source of pride for our students and the entire Garrison community and can serve as a model for climate-friendly public schools everywhere.
