

GARRISON UNION FREE SCHOOL DISTRICT
Addendum To
Technology Acceptable Use Policy
2020-2021

The Garrison Union Free School District recognizes that access to an electronic **personal mobile device** during school hours can be a useful tool to enhance the educational development of our students, given reasonable restrictions on its use. The following general acceptable rules and behaviors reflect the District's parameters for student use of a personal mobile device during the school day and on school premises.

As a student enrolled in the Garrison School, I agree to use my own mobile device appropriately and responsibly when at school. I agree to follow all of the school's security practices and requirements and understand that the rules included in the Technology Acceptable Use Policy, Code of Conduct, and Student Handbook apply to the use of my personal device as well.

I also agree, when at school or on school grounds:

1. To only access my personal mobile device when authorized by my instructional teacher.
2. To use my personal mobile device for academic studies and educational purposes **only**.
3. To access only authorized apps, websites and networks that are approved by the classroom teacher.
4. That I will only access the Internet when supervised by the classroom teacher.
5. That I will **not** access, use, transmit, copy or create material that violates the School's Code of Conduct and Student Handbook.
6. That I will not use my personal mobile device to buy, sell, advertise or conduct business unless approved as a school project.
7. That I will not use my personal mobile device to take pictures, video, or record unless supervised and authorized by the classroom teacher.
8. That the District is not responsible if my personal mobile device is lost, stolen or damaged at school. I will secure my personal mobile device during recess, lunch and other non-academic periods of the day.
9. That the District IT Staff is not responsible for repairing or troubleshooting problems with my personal mobile device.

I understand:

1. The policy and rules, and agree to abide by them as I use my personal mobile device at the Garrison School.
2. That my personal mobile device may not be connected to a printer at school, and I agree that any work completed on the device will be printed at home.
3. That any violation(s) of the regulations may lead to suspension of my ability to use my personal mobile device and /or other disciplinary action.
4. That my personal mobile device will only be used in a supervised classroom and will be turned off at all other times, including in the hallways, lunchroom, and at recess.
5. That my personal mobile device is connected to the school's wireless with the appropriate Internet filters in place.
