

March 19, 2020

Dear Members of the Garrison Community,

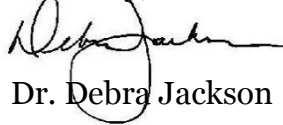

As you may know, New York State public schools have been directed to assist in providing childcare for essential health care workers. In accordance with this directive, the Garrison UFSD will be providing childcare for children of essential health care workers.

According to the "Additional Guidance on Statewide School Closures Due to Novel Coronavirus (COVID-19) Outbreak in New York State" provided by Shannon L. Tahoe, Interim Commissioner of Education:

"Essential health care workers may include licensed health professionals such as physicians, nurse practitioners, physician assistants, registered nurses, LPNs and nurse assistants or laboratory personnel. First responders may include paramedics, emergency medical technicians, police officers, and firefighters."

If you are an "Essential Health Care Worker", please complete the Google Form by clicking on <https://docs.google.com/forms/d/e/1FAIpQLSd-IrkRAIMLu8pFdM3vPMSV6vHhtSIGV9Lge1tczVYMx2Q7YQ/viewform> at your earliest convenience. Thank you for your service to others during this critical time.

Sincerely,

Dr. Debra Jackson
