March 15, 2020

Good Evening Garrison Families,

I hope all is well given these unusual circumstances. Our staff cares and we want to know that you and your children are safe. There is a great deal of information being sent to you from many sources, so please know we will be sharing information in shorter, more frequent communications so as not to inundate everyone. Please continue to reach out with any questions.

As a reminder, the school will be closed to students from Monday, March 16th through Monday, April 13th. The Garrison UFSD will continue to send daily alerts, as is done for inclement weather days, as an ongoing notice to all families.

On Wednesday, March 18, 2020, course work for all K-8 students will resume electronically via Google Classroom. The E-Learning Plan, which is a separate document, will provide further detail as to what this will look like for your child(ren). This document is forthcoming and will be sent to you in the coming days.

- Teachers will be reaching out to families to coordinate a time to conference remotely
- Friday, 3/20, will now be an E-learning instructional day and no longer a Parent/Teacher conference day. So, students should be prepared for a day of E-Learning!

Events/Committees/Meetings

- Separate communication will be sent on Monday, 3/16, specifically in regards to events/committees/meetings

As a reminder, all communications/updates will continue to be posted to the “GUFs News” tab on the website via [this link](#).

Thank you very much for patience and we will continue to update you during the week ahead.

Sincerely,
