March 31, 2020

Dear Garrison Families,

I hope all of you are safe, healthy, and well. I wanted to share a few brief updates on various items.

- Parent/Teacher Conferences
  - Our teachers have been working extremely hard to reschedule Parent/Teacher Conferences originally scheduled for Friday, 3/20. These conferences will be held as phone calls or videoconference.
- Field Trips
  - Unfortunately, all field trips for the remainder of the school year are cancelled. I apologize for this disappointing news, and it is a necessary precaution the district is taking in the interest of the health and well-being of our students and staff.
- Events
  - We are continuing to evaluate each upcoming event to determine whether they are to be postponed or held virtually. We will continue to keep you informed.
  - Some events which are in the process of being coordinated virtually with our parent partners are:
    - Science Fair
    - Talent Show
    - K-3 Sing-Along (in place of the K-3 Concert originally scheduled for today)
- GUFS News
  - Please continue to check "GUFS News" on the website via [this link](#) for the latest information and updates to our E-Learning.

Thank you very much for your time, patience, and care. Please know we continue to be here for your and our kids, so please do not hesitate to contact us.

Sincerely,

Alex Levine  
Principal  
(845) 859-0102
